

RUNAWAY WORLD

VERSE 1: We're ridin' on a runaway train
Movin' too fast feelin' the strain
Prayin' that we don't derail
Listen to the old tracks wail
But it's too late to turn back the wheels
See we've begged and borrowed now we're under her steel
And sometimes the whole world feels

CHORUS: Like a runaway train Woo Hoo
In a runaway world Oh Yeah

VERSE 2: Our world is like a runaway train
Screamin' down these tracks we laid
Balanced on a rail of doubt
Wonderin' who will save us now
But the brakeman has lost his nerve
That wise old conductor he won't say a word
The engineer has gone insane

CHORUS: On this runaway train Woo Hoo
In a runaway world Oh Yeah
On this runaway train Woo Hoo
In a runaway world Uh Huh

BRIDGE: Now we can feel the strain
With every wrong revolution
In a runaway world
We're searchin' for a strong solution

BREAK: Music = verse

VERSE 3: Now there's a light just around the bend
And you and I don't have to meet our end
The future is in our hands
Sure we're frightened but we're not damned
So come on now this can't be real
Sure we've begged and borrowed but we're stronger than steel
Together we can turn back the wheels

CHORUS: Repeat with tag:
We on a runaway train Woo Hoo
In a runaway world Oh Yeah
On this runaway train Woo Hoo
In a runaway world Uh Huh
Now only we can stop...
(this runaway train)
In this runaway world
This runaway train
