

ANOTHER HARD SNOWFALL

- VERSE 1: It's ten a.m. I'm still in bed
 Fighting the dreams back in my head
 It's so hard not to fall back to sleep
 But I know I gotta get up
 It's ten below I'm stiff and slow
 Cold feet on a cold wood floor
 Scramblin' fast to cover my ass
 With a long john stockin'
- CHORUS 1: Before long the coffee's on
 And the fire is stoked
 I'm laughing at the winter wind
 It's a regular joke
 And outside my window
 Looks like we're in for another
 Hard snowfall
- VERSE 2: Winter time was meant to be
 A time for reflection
 A time for us to meditate
 A time to take it easy
 It's enough work every day
 Shovelin' the snow from my driveway
 I think I'll stay inside and waste away
 Another day of the winter
- CHORUS 2: Breakfast roll a fire's glow
 Burning bright and warm
 A cold wind whistles sad and low
 At home within the storm
 And looking out my window
 Looks like we're in for another
 Hard snowfall
 Another hard snowfall
- BREAK: like intro
- BRIDGE: Wind's a blowin' drifts are growin' and we've got time for wastin'
 So if you're goin' don't be goin' today
 Wind's a blowin' drifts are growin' it's time for hibernation
 And winter time doesn't seem so long that way (spoken) No it don't
- BREAK: like intro
- CHORUS: repeat chorus 1 w/ tag: Another hard snowfall Another hard snowfall
